Profile Company >>>

Shenzhen DYS Fiber Optic Technology Co., Ltd(DYS) is a fiber optic communication enterprise, founded in 2008 and gathered a group of rich experience engineers and experts in fiber optic communication area. DYS dedicates to the developing, production, marketing of the fiber optic cable, fiber optic passive products and FTTH solution. We obtained ISO9001-2008 management certificate in 2011 and achieved the honorary title of National High-tech enterprise and Shenzhen High-tech enterprise in 2014.

With years of experiences in the fiber optic industry, our factory is fully equipped over 3500 square meters. About 200 well-trained staff and engineers are contributing to our proud products. We have 5 production lines for fiber optic cable, 2 high standard MPO/MTP jumper assembly lines, 8 production lines for standard jumper and 6 PLC Splitter production lines.

DYS own the most advanced production and testing equipment, enable our products have super quality, such as Senko polishing machine, Dimension interferometer, JGR multi-channel test machine, Dimension automatic cleaning machine, Noyes OTDR and so on.

Our high quality products and outstanding service win the customer from all the world, DYS fiber optic is looking forward to cooperate with you.
